### **Independent Accountant's Review Report**

To the Board of Directors  
NOVA Workforce Institute of Northeast LA  
Monroe, Louisiana

I have reviewed the accompanying statement of financial position of NOVA Workforce Institute of Northeast LA (a nonprofit organization) as of December 31, 2010, and the related statements of activities, and cash flows for the year then ended.

A review includes primarily applying analytical procedures to management's financial data and making inquiries of NOVA Workforce Institute of Northeast LA's management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, I do not express such an opinion.

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America and for designing, implementing, and maintaining internal control relevant to the preparation and fair presentation of the financial statements.

My responsibility is to conduct the review in accordance with Statements on Standards for Accounting and Review Services issued by the American Institute of Certified Public Accountants. Those standards require me to perform procedures to obtain limited assurance that there are no material modifications that should be made to the financial statements. I believe that the results of my procedures provide a reasonable basis for my report.

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in conformity with accounting principles generally accepted in the United States of America.

Monroe, Louisiana**

**Notes to the Financial Statements  
As of and for the Year Ended December 31, 2010**

**NOTE A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Nature of Operations**

NOVA Workforce Institute of Northeast LA (a private non-profit organization) is domiciled in Monroe, Louisiana. The Organization is recognized as a tax-exempt (non-profit) organization under section 501 (c) (3) of the Internal Revenue Service Code. The organization serves to connect the needs of employers with job-training entities and local residents who are looking for a career path leading to a living wage job with benefits. The Board of Directors of the Organization consists of eleven (11) members. The members serve without compensation.

**Basis of Presentation**

For the period ending December 31, 2010, the Organization followed provisions of Statement of Financial Accounting Standards No. 117, *Financial Statements of Not-for-Profit Organizations*. Statement No. 117 requires the Organization to distinguish between contributions that increase permanently restricted net assets, temporarily restricted net assets, and unrestricted net assets. The following is a description of the three net assets categories:

Unrestricted Net Assets-Net assets that are not subject to donor-imposed stipulations.

Temporarily Restricted Net Assets-Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Organization and/or by passage of time.

Permanently Restricted Net Assets-Net assets subject to donor-imposed stipulations that they be maintained permanently by the Organization. Generally the donors of these assets permit the Organization to use all or part of the income earned on related investments for general or specific purposes.

Statement No. 117 also requires recognition of contributions, including contributed services meeting certain criteria, at fair values. It establishes standards for general-purpose external financial statements of not-for-profit organizations and requires a statement of financial position, a statement of activities, and a statement of cash flows.

**Public Support and Revenue**

In order to comply with restrictions that donors place on grants and other gifts as well as designations made by its governing board, the principles of reporting net assets are used.

**NOVA Workforce Institute of Northeast LA**  
**Notes to Financial Statements (Continued)**

**Public Support and Revenue (Continued)**

Revenue and public support consists mainly of state and private grants, fundraising, and contributions. Grants and other contributions of cash and other assets are reported as permanently restricted or temporarily restricted if they are received with donor restrictions or restrictions designated by the governing board. Contributions are considered to be unrestricted unless restricted by the donor.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires the use of management's estimates. Accordingly, actual results could differ from those estimates.

**Cash and Cash Equivalents**

The Organization considers all highly liquid investments with maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents for purposes of the statement of cash flows exclude permanently restricted cash and cash equivalents. At December 31, 2010, NOVA Workforce Institute of Northeast LA had no cash equivalent, and cash totaling \$ 43,719 as follows:

Temporarily Restricted	\$ 30,001
Unrestricted	<u>13,718</u>
Total Cash	<u>\$ 43,719</u>

**Deferred Revenue**

The Organization follows the deferred revenue recognition. Under the deferred method, grants received in the year for expenses to be incurred in the following year are recorded as deferred revenue.

**Income Taxes**

The Organization qualified as a publicly supported organization exempt from federal income tax under Section 501 (C) (3) of the Internal Revenue Code. Contributions to the Organization are tax deductible within the limitations prescribed by the Code.

**NOTE B. FUNCTIONAL ALLOCATION OF EXPENSES**

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

**NOVA Workforce Institute of Northeast LA**  
**Notes to Financial Statements (Continued)**

2. For each federal, state, and local award, I randomly selected 6 disbursements from each award administered during the period under examination, provided that no more than 30 disbursements would be selected.
3. For the items selected in procedure 2, I traced the six disbursements to supporting documentation as to proper amount and payee.

I examined supporting documentation for each of the six selected disbursements and found that payment was for the proper amount and made to the correct payee.

4. For the items selected in procedure 2, I determined if the six disbursements were properly coded to the correct fund and general ledger account.

All six of the payments were properly coded to the correct fund and general ledger account.

5. For the items selected in procedure 2, I determined whether the six disbursements received approval from proper authorities.

Inspection of documentation supporting each of the six selected disbursements indicated approvals from board of directors. In addition, each of the disbursements was traced to the Nova Workforce Institute of Northeast Louisiana, Inc.'s minute book where they were approved by the full board.

6. For the items selected in procedure 2: For federal awards, I determined whether the disbursements complied with the applicable specific program compliance requirements summarized in the *Compliance Supplement* (or contained in the grant agreement, if the program is not included in the *Compliance Supplement*) and for state and local awards, I determined whether the disbursements complied with the grant agreement, relating to:

Activities allowed or unallowed:

I reviewed the previously listed disbursements for types of services allowed or not allowed. Each of the six disbursements did comply with the allowability requirements of the program.

Eligibility

I reviewed each of the previously six disbursements for eligibility requirements. Each of tested disbursements did comply with the eligibility of the program.

Reporting

I reviewed each of the previously six disbursements for reporting requirements. Each of the tested disbursements did comply with the reporting requirements of the program.

7. For the programs selected for testing in item (2) that had been closed out during the period under review, I compared the close-out report, when required, with the agency's financial records to determine whether the amounts agree.

***Budget***

9. For all grants exceeding five thousand dollars, I determined that each applicable federal, state, or local grantor agency/agency was provided with a comprehensive budget of those grants that included the purpose and duration, and for state grants included specific goals and objectives and measures of performance.

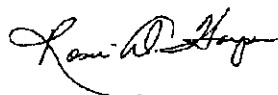

Nova Workforce Institute of Northeast Louisiana, Inc. provided comprehensive budgets to the applicable state grantor agencies for the programs mentioned previously. These budgets specified the anticipated uses of the funds, estimates of the duration of the projects, and plans showing specific goals and objectives that included measures of performance.

***Prior Comments and Recommendations***

10. N/A

I was not engaged to perform, and did not perform, an audit, the objective of which would be the expression of an opinion on management's assertions. Accordingly, I do not express such an opinion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

This report is intended solely for the use of management of Nova Workforce Institute of Northeast Louisiana, Inc., the Legislative Auditor (State of Louisiana), and the applicable state grantor agency/agencies and should not be used by those who have not agreed to the procedures and taken responsibility for the sufficiency of the procedures for their purposes. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
